

If you do not have an average established  
from a league,  
you **MUST** bowl **SCRATCH**.

However, if you bowled in the P.N.C.C. tournament last year and do not have an average established from a league, you should use your **average established from last year's tournament**.

Just mark TA on the entry form in the column marked "Average". We will look up the average you set last year and set the appropriate handicap for you.
